Title: Living in an urban environment and non-communicable disease risk in Thailand: Does timing matter?  
Health & Place

Dear Dr. Chaisiri Angkurawaranon,

"Living in an urban environment and non-communicable disease risk in Thailand: Does timing matter?"

I am pleased to inform you that the above manuscript has been accepted for publication.

We will send the paper to the publisher and you will receive proofs in due course.

Please note that all authors of accepted papers are expected to act as referees for Health & Place if invited.

When your paper is published on ScienceDirect, you want to make sure it gets the attention it deserves. To help you get your message across, Elsevier has developed a new, free service called AudioSlides: brief, webcast-style presentations that are shown (publicly available) next to your published article. This format gives you the opportunity to explain your research in your own words and attract interest. You will receive an invitation email to create an AudioSlides presentation shortly. For more information and examples, please visit <http://www.elsevier.com/audioslides>.

Thank you for submitting your work to Health & Place.

Yours sincerely,

Jamie Pearce, PhD  
Editorial Office/Ed-in-Chief
