& TROPICAL  
MEDICINE

## About LSHTM Research Online

LSHTM Research Online is freely accessible online database of research conducted by staff from London School of Hygiene & Tropical Medicine. Where possible we will provide access to the full text of research articles, where we are unable to provide the full text we will hold the bibliographical information and provide links to where the full text can be accessed. While each full text item remains the property of the copyright holder, reuse of the material held in LSHTM Research Online is permitted for private and non commercial study.

Search LSHTM Research online at: <http://researchonline.lshtm.ac.uk/>

## Contact Information

Further information about LSHTM Research Online, including how to deposit full text papers is available from the LSHTM Research Online homepage: <http://researchonline.lshtm.ac.uk/>

If you require any further help or advice on LSHTM Research Online, Open Access publishing or other related issues, please contact the LSHTM Research Online team:

# **General Overview**

## Total number of records in LSHTM Research Online at 31<sup>st</sup> October 2012

## Number of full-text papers deposited in LSHTM Research Online during October 2012

## Visits to LSHTM Research Online during October 2012

## LSHTM Research Online traffic sources

October 2012

### Traffic source definitions

Search engines: visitors coming via a search engine

Referring sites: visitors referred by links on other websites

Direct traffic: visitors that came to the site by typing their URL directly into their browser or via bookmarks

## Total full-text downloads from LSHTM Research Online during October 2012

## LSHTM Research Online full-text downloads by country (top 10) during October 2012

## Top 10 full-text downloads from LSHTM Research Online during October 2012
